

## Warren Township Development Association

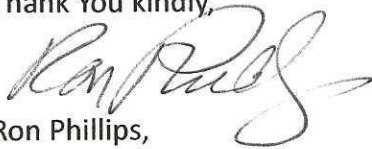

2023-MOD-020 1855 N Shadeland

Dear Senior Planner Marleny Iraheta, and MDC Hearing Examiner,

The Warren Township Development Association met on November 2, 2023. This petition was presented, and our board **voted to support** this modification. We see no healthy nor safe need for a cross walk across the dark and multi-laned Shadeland Avenue.

**We support this petition.**

Thank You kindly,
