

THIS PETITION IS IN OPPOSITION TO THE PETITION CASE 2026-MOD-003

We, the undersigned residents, property owners, and supporters of Franklin Township, respectfully urge the Metropolitan Development Commission (MDC) to DENY Petition Case 2026-MOD-003.

Petition 2026-MOD-003 seeks to modify existing zoning commitments to allow the development of a Truck and Heavy Equipment Sales, Rental, and Repair Facility at 8600 Combs Road.

By signing below, I respectfully request that the Metropolitan Development Commission deny Petition Case 2026-MOD-003 and preserve the existing commitments protecting the Combs Road Wetland and the surrounding community.

PETITION

THIS PETITION IS IN OPPOSITION TO THE PETITION CASE 2026-MOD-003

Protect the Combs Road Wetland and Our Community

We, the undersigned residents, property owners, and supporters of Franklin Township, respectfully urge the Metropolitan Development Commission (MDC) to DENY Petition Case 2026-MOD-003.

Petition 2026-MOD-003 seeks to modify existing zoning commitments to allow the development of a **Truck and Heavy Equipment Sales, Rental, and Repair Facility** at 8600 Combs Road.

This proposed industrial use is incompatible with the surrounding residential neighborhoods, church, family farms, and one of the last remaining high-quality wetlands within the Pleasant Run Creek watershed. The modification of commitments which would permit the proposed truck and heavy equipment sales, rental and repair facility raises significant concerns regarding environmental protection, flooding, traffic safety, infrastructure impacts, and neighborhood quality of life.

By signing below, I respectfully request that the Metropolitan Development Commission deny Petition Case 2026-MOD-003 and preserve the existing commitments protecting the Combs Road Wetland and the surrounding community.
