RE: Support for Petitions
3949 South State Ave, etal
2026-CZN-845 /2026-CVR-845

Dear Members of the Commission:

On behalf of Positive Impact Neighborhood (PIN), a registered neighborhood organization with the City of Indianapolis, on the southside, near the University of Indianapolis, I am writing to show our full support for Petition 2026-CZN-845/2026-CVR-845 for the proposed Perry Township Innovation Center at 3949 S. State Ave. etal.

This new project has not only the potential to elevate the education experience of the students in our neighborhood going to Perry Meridian High School but also the students enrolled in Southport High School, this will bring new innovative opportunities to all students in the Perry Township School Corporation. Not to mention the positive impact it will have in our community as a draw for new businesses and job opportunities. The Southside is a proud community, and we want to continue to grow, build and be better for the generations to come.

In conclusion, Positive Impact Neighborhood fully supports the approval of Petition 2026-CZN-845/2026-CVR-845.

Thank you for your consideration.

Respectfully,

Positive Impact Neighborhood
